It also included that Thursday night the 16th...I forgot we stayed late to finish packing and cleaning at Metro Center...Also if I am mistaken, Saturday and Sunday were counted as double time instead of time and a half...

That's what I thought you said. I didn't understand how someone could have 33 hours overtime for that 3 day period?

It was for our move on December 17, 18, and 19th. Many employees stayed late Friday, worked on Saturday, and some came in on Sunday.
